

UNIVERSITÄT
BAYREUTH

FAMILIE IN DER
HOCHSCHULE

The University of Bayreuth is a research-oriented university with internationally competitive, interdisciplinary focus areas in research and teaching. The Faculty of Mathematics, Physics & Computer Science at the University of Bayreuth is currently seeking to appoint a

Full Professor of Algebraic Geometry

at salary grade W3 to commence on October 1st, 2023. This is a permanent civil service position.

We are seeking an internationally recognized person with an excellent research track record in algebraic geometry to complement our existing research interests. We expect experience in the acquisition of third-party funding and the willingness to cooperate with the working group in complex geometry, number theory, and algebra, in particular regarding possible joint funding applications.

The successful candidate will teach courses, mainly in algebra and geometry, for students in the various study programs in mathematics; this includes the education of future high school teachers. The candidate is expected to further contribute to the service courses of the Mathematics Department for other subjects. Experience in the training of young researchers would be desirable.

The ability to teach in English is expected; international applicants must be willing and able to teach in German after some period of time.

The general administrative requirements for hiring professors at universities in Bavaria apply. A complete description of the vacancy can be found at www.uni-bayreuth.de/en.

Applications (CV including a list of publications, list of courses taught, experience obtaining external funding, as well as copies of certificates and diplomas) are to be addressed to the Dean of the Faculty of Mathematics, Physics and Computer Science, Prof. Dr. Volker Ulm, and submitted via <https://uni-bayreuth.berufungsportal.de> by **June 19 2022**. Applicants are welcome to direct questions and requests for further information to the Dean at dekanat.mpi@uni-bayreuth.de. Application documents will be deleted in accordance with data protection law following the conclusion of the appointment process.
