

UNIVERSITÄT  
BAYREUTH

FAMILIE IN DER  
HOCHSCHULE

The University of Bayreuth is a research-oriented university with internationally competitive, interdisciplinary focus areas in research and teaching. The Faculty of Mathematics, Physics & Computer Science at the University of Bayreuth is currently seeking to appoint a

# Full Professor of Algebraic Geometry

at salary grade W3 to commence as soon as possible. This is a permanent civil service position.

We are searching for an internationally recognized scholar with an excellent research track record in algebraic geometry, who complements our existing research interests. We expect experience in the acquisition of third-party funding and the willingness to cooperate with the research group in complex geometry, number theory, and algebra, in particular regarding the submission of joint research proposals.

The successful candidate will teach courses, mainly in algebra and geometry, for students in the various study programmes in mathematics, including teacher education programmes. The incumbent will also be expected to contribute to the courses offered by the Mathematics Department to students enrolled in other subjects.

The ability to teach in English is expected; international applicants must be willing and able to teach in German in the medium term.

The general administrative requirements for hiring professors at universities in Bavaria apply. A complete description of the vacancy can be found at [www.uni-bayreuth.de/en](http://www.uni-bayreuth.de/en) (University / Work at the University / **Job Vacancies**).

Applications (CV including a list of publications, list of courses taught, experience obtaining external funding, as well as copies of certificates and diplomas) are to be addressed to the Dean of the Faculty of Mathematics, Physics & Computer Science, Prof. Dr. Michael Guthe, and submitted via <https://uni-bayreuth.berufungsportal.de> by **13 December 2024**. Applicants are welcome to direct questions and requests for further information to the Dean at [dekanat.mpi@uni-bayreuth.de](mailto:dekanat.mpi@uni-bayreuth.de). Application documents will be deleted in accordance with data protection law following the conclusion of the appointment process.
